***What are we looking for in prospective staff?***

The camp staff is the biggest impact on the quality of our campers' summer camp experience. Camp White Horse is a ministry, and staff should view their work not as just another summer job, but as a calling and mission opportunity.

Our expectations for staff:

- a genuine love for children
- a creative spirit
- The ability to be flexible and have lots of patience.
- The ability to pace yourself and know when you need sleep
- To work as consistently at the end of the summer as at the beginning
- Strength and enthusiasm to minister all summer long
- To be a deeply committed Christian who has a strong relationship with Jesus Christ.
- To be a role model of a believer who provides a solid Christian example
- To be able to share faith freely and openly with campers and other staff members.

In return for your hard work, you will be rewarded beyond belief by the difference that you will make in the lives of campers this summer. Camp may be the only place that will make a difference in some of these children's lives. You may be their single opportunity to experience the love of Jesus. There is no greater reward than for you to know that you played a part in these campers making a life long commitment to Jesus Christ.

Sometimes staff members join us at camp for the wrong reasons. If your first and main priority is not for the lives and spiritual well being of children, please do not apply. Please prayerfully consider if you are willing to meet these expectations before applying for a position at White Horse Christian Retreat Camp, Inc.
